Defendant Oberman joins in the position taken by his co-defendants with respect to the stay application. He notes that the Government's request for a stay of defendants' pending motion for summary judgment did not include a request to stay his separate motion to dismiss under Rule 12(b)(6). (See Dkt. No. 84). (Due to the Court's "bundling" rules this motion, although served upon counsel, has not been docketed).

Whether or not the court denies the Government's request with regard to discovery and the summary judgment motion, plaintiff should be given 2 weeks from that determination to file opposition to Oberman's motion to dismiss which was served upon him on April 26, 2016 and he requests 1 week to reply.

DATED: Poughkeepsie, New York
June 1, 2016

Yours, etc.
